# Advertise Your . . . Good Things!

¶ Many a limping business is kept from healthful development by the firm's morbid aversion to publicity.

¶ Perhaps they are honestly so conscious of the excellence of their wares that they expect the busy world to search them out. But the busy world hasn't time.

¶ If you have a good thing to sell, proclaim it. The world wants good things, but it can't discover them in hiding places. Bring them into the open market by advertising them.

Entered according to Act of Parliament of Canada, in the year One Thousand Nine Hundred and Eleven by Henderson Directories Alberta, Limited, in the Office of the Minister of Agriculture.

# Preface.

---

We have pleasure in presenting this the seventh volume of Henderson's Edmonton and Strathcona Twin City Directory. The canvass of the city, necessary to the publication of this work, clearly indicates that the rapid growth and development which we have had to report in pervious issues is of a permanent character and we have endeavored to faithfully chronicle this progress, for it is generally recognized that there is no better means of spreading information concerning a city, or of making known its commercial and social advantages than through the medium of a thorough, up-to-date City Directory. Such a work we have endeavored to make this present issue.

From the classified business section of the work it will be noticed that many new business firms and professional men have located here during the year.

We have again to extend our thanks to our patrons for so marked an increase in the advertising department and for this expression of their growing faith in the necessity and usefulness of this publication, which has become an indispensable adjunct to a modern city's business machinery.

Respectfully,

HENDERSON DIRECTORIES, ALBERTA, LIMITED.

May, 1911.

# City of Edmonton

(See also Strathcona)

Edmonton is beautifully situated on the high land on the north bank of the Saskatchewan River, 825 miles west of Winnipeg. It is the main wholesale and retail distributing centre for Northern Alberta and the vast Peace River country, which is fast being developed to the north, while to the west three great railroad systems are rushing to completion, lines through the Yellowhead Pass to the Pacific Coast.

The Corporation owns and operates its own water services, sewerage system, electric light and telephone systems. It also owns and operates the street railway, having tracks laid on the principal streets.

Natural gas has recently been discovered at Morinville. This is being piped to the City and will be of great commercial value.

The City has fifteen banks, twenty-two hotels, three daily, five weekly and three monthly newspapers, four saw mills and planing mills, two flour mills, modern brewery, aerated water factory, a seven-story packing and cold storage plant, woodenware factory, three steam laundries and two brick yards; also tent and mattress factory.

Most of the Eastern manufacturers are represented in the City either through commission brokers or with branch warehouses.

Edmonton, being the capital of Alberta, has the Alberta Provincial Government buildings. The new Government buildings cost over \$1,250,000.

# Black Letters

---

¶ Those names appearing in BLACK LETTERS in this Directory represent the energy and push of the City. It is a pleasure for the Publishers to have the opportunity of making the public acquainted with them through these pages.

¶ Those in BLACK LETTERS are the people who accomplish the wonders in business here and make the city what it is. They recognize and support all public necessities and things needful to improve and serve a city of this magnitude. They are not drones and sponges who never support anything and gain by others' hard work and money.

¶ When you patronize those in BLACK LETTERS you patronize men and firms who will patronize you in the same broad manner in which you patronize them.

# REMEMBER

---

*The CITY DIRECTORY is the most effective and most economical method of reaching all the people all the time.*

¶ *Those who buy without looking at the list of those who sell do themselves a great injustice.*

¶ *The CLASSIFIED LISTS in the BUSINESS DIRECTORY form the very best BUYER'S GUIDE on earth.*

¶ *A modern, systematized, up-to-date method of getting what you want.*

# Black Letters

---

¶ Those names appearing in BLACK LETTERS in this Directory represent the energy and push of the City. It is a pleasure for the Publishers to have the opportunity of making the public acquainted with them through these pages.

¶ Those in BLACK LETTERS are the people who accomplish the wonders in business here and make the city what it is. They recognize and support all public necessities and things needful to improve and serve a city of this magnitude. They are not drones and sponges who never support anything and gain by others' hard work and money.

¶ When you patronize those in BLACK LETTERS you patronize men and firms who will patronize you in the same broad manner in which you patronize them.
